INSURANCE MATTERS

What to do in case of an accident:

DOs

- Stay calm. Check if any party is injured.
- If there are any serious injuries, call 995/999 immediately.
- Take down all number plates of the involved vehicles, particulars of drivers and witnesses, if any.
- Take photos of the accident scene, capturing the accident vehicles and surrounding areas.
- Report to the Accident Reporting Center within 24 hours / next working day. (Accident Reporting Center operating hours, Monday - Friday 8.30am - 4.30pm)

DON'Ts

- Get into a heated argument with the other parties involved.
- Discuss liability with parties involved in the accident at that instance.

Please call our hotline **6252 5525**

Last call for accident reporting is **4pm**

You are required to make a police report if:

There are cases involving injury

- All parties not injured should stay at the scene and wait for the police to arrive.
- Vehicles should not be removed unless necessary. (e.g. evacuation of injured parties.)

If third party is involved

- If third party involves:
- Government property
 - Government / Foreign / Embassy Vehicle
 - Pedestrian / Cyclist / E-scooter / Motorcyclist

MAINTENANCE MATTERS

Servicing and Preventive Maintenance

- All vehicles in our fleet require regular servicing to maintain optimal performance.

For electric vehicle (EV) servicing or any other queries please contact our general hotline for assistance.

Book 2,000 km before servicing mileage is due

Hirers are encouraged to book their servicing appointment prior to sending their car for preventive maintenance servicing. Priority will be given to booked appointments. Reimbursements will not be provided for servicing without a prior appointment.

KEY GUIDELINES FOR HIRERS

- Preventive maintenance of vehicle **MUST** be arranged by the hirer.
- LCR reserve the rights to repossess the vehicle should the hirer fail to schedule the vehicle for preventive maintenance. Repossession fee of S\$500 (before GST) will be borne by hirer.
- Returned vehicle with service overdue (>15 days / 5000 km), will result in a full-day rental charge.
- Remember to remove all your valuables before sending the car in for servicing or repair.

MAINTENANCE MATTERS

Self-Checking and Daily Maintenance Tips

Fuel Requirement

- Refuel with **RON95 or higher** to avoid engine damage.
- Hirers will be accountable for any damage caused by improper fueling.

Key Fob Battery

- Ensure the key fob battery is in good condition.
- Prevent inconvenience by keeping the battery charged.

Electric Vehicle Battery Charging

- Keep EV battery charge **between 20% and 100%** to maintain optimal battery health.
- Cost of towing or battery replacement as a result of prolonged low battery will be borne by the hirer.

Tyre Pressure and Condition

- Check tyre air pressure **every 2 weeks** and pump at any petrol station when necessary.
- Inspect tyres for wear and tear, and replace them if necessary.
- A fee will be incurred if a replacement tyre differs in size from the original provided.

AdBlue Additive (Euro 5/6 Diesel Cars)

- Only applicable for the Euro 5/6 Diesel Car - SsangYong Tivoli
- Reduces the amount of air pollution.
- Hirer is responsible for topping up AdBlue.
- This is part of our regular service, visit our workshop for **complimentary top up of AdBlue**. (No reimbursement will be made for hirers who choose to top up AdBlue at external workshops.)

While our preventive maintenance covers essential vehicle health, your daily care is key to keeping it in top condition.

KEY GUIDELINES FOR HIRERS

- Hirers are responsible for taking care of the rented vehicle. (Including a good condition key fob battery)
- Vehicles must be refueled with RON95 fuel or higher. Failure to comply may result in serious engine damage, for which hirers will be held fully accountable.
- Hirers will incur a fee if the replacement tyre differs in size from the original provided.
- Cost incurred for damages attributed to negligence will be borne by the hirer.
- Vehicles that are badly damaged or deemed unsafe by our LCR Service Advisors will need to be replaced at the hirer's own cost.

MAINTENANCE MATTERS

What to do during a breakdown?

- Safely move the vehicle to the side, or road shoulder whenever possible.
- Switch on the 'Hazard' light to warn traffic behind.
- Display the 'Warning sign' behind your vehicle at least 45 meters apart from vehicle.
- Stand behind the road barrier or further from the road before making a call for assistance.
- Hirers are reminded to switch off all unnecessary electronics such as the car radio, charger and lights (except hazard lights), etc. to prevent a flat battery.

Vehicle towing

Car can only be towed under the following scenarios:

- Vehicle cannot be moved
- Brakes not working
- Engine overheat
- Red checklight

Vehicle Towing Hotline
+65 9729 7337

Coverage only in Singapore for vehicle breakdowns and exclusively for instances where the driver is deemed unfit to drive the vehicle. For cars that have been towed in, hirers will need to go down to our workshop to go through the damages & repairs required before repairing.

Replacement car are issued only if downtime exceeds 8 hours and are subject to availability. LCR Management reserves the rights to decide on appropriate compensation (if any) at their sole discretion and on a case-to-case basis.

What is NOT included and is chargeable?

Flat Tyre

Tyre & Rim Damage

Tyre Sidewall Damage

Undercarriage damage

Low battery

Check engine light

- For vehicle breakdowns occurring outside of Singapore, the hirer is responsible for all associated towing and customs charges. This includes additional fees for towing from Malaysia to Singapore.
- In the event of a tyre puncture, please do not call towing unless necessary.
- Tyre punctures and key fob battery replacements are not considered as a vehicle breakdown, tyre replacement and towing fees will be borne by the hirer.
- Additional tyre sealant kits are available with extra charges.

How to handle a Tyre Puncture

STEP 1:

Stop the vehicle in a safe spot.
Try to find a flat and smooth surface
and turn on hazard indicators

STEP 2:

Use the Tyre Sealant Kit provided in the car
connect to the punctured tyre to seal.
Pump air into tyre before driving.

STEP 3:

Drive the vehicle to the nearest
workshop for tyre replacement.
(If towing is required, cost will be borne by hirer)
